

BCS POWERPOINT TEMPLATE

Examples of all available layouts in the powerpoint presentation template

BCS POWERPOINT TEMPLATE

Example of the title slide with white background

About this template

- This presentation has an example of every available layout in the template
- Right-click any slide and select **Layout** to preview the available layouts. Select the one you want and your slide design will adjust accordingly
- All layouts have been configured with the styling and placeholder positions we've designed for this template
- The theme colours in this template use the main colours outlined in our branding guidelines

Have I got the right template?

If you are using an existing presentation as your starting point it may have incorrectly modified elements.

You can find the latest template on the [Green Room](#).

STANDARD LAYOUTS

One column

- This is a very basic layout which contains the title (above) and this region for content that will stretch the full width of the slide

Two column

- This is a very basic layout which contains the title (above)
- And two column regions of equal size

Two column with picture

This template has two columns supported by a picture placeholder. When you use this layout the picture you select for the placeholder will automatically fit into the allocated placeholder region.

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.
